

HOME MAINTENANCE 101

Date: Tuesday, June 6, 5:30-7:30 PM

Your first step in home repairs. Plan your short- and long-term repair, maintenance, and home improvement strategies. This class is suitable for both homeowners and homeowners-to-be.

Participants are welcome to repeat this class as often as they wish. Just remember to bring all of your home maintenance questions with you!

To register for this **free** class, please call (203) 562-0598 ext. 226. All classes are held in our Home Improvement and Energy Conservation Lab (Building #3), located on our campus at **333 Sherman Avenue**, New Haven.
