

# Home Maintenance Basics!

All workshops take place at Neighborhood Housing Services of New Haven:  
333 Sherman Avenue, New Haven, CT 06511  
Time: 5:30PM - 7:30PM

**Tuesday, Sept. 12.**

## ***LANDSCAPING***

Be a happy home landscape manager. Match your plans and expectations to your available time, space, energy and resources. This workshop will cover basic layout, tools, and techniques including planting and pruning.

**Tuesday, Sept. 19**

## ***BASIC ELECTRIC***

This workshop covers what every homeowner and homeowner-to-be should know about their house's electrical system.

**Tuesday, Oct. 3**

## ***HEATING & COOLING***

Learn about the various types of heating systems used in family residences, how to maintain them, when to replace them, and how to conserve energy.

**Tuesday, Oct. 10**

## ***BASIC PLUMBING***

This workshop covers what every homeowner should know about plumbing: what you can do yourself, when to call a pro, and how to avoid costly plumbing problems.

**Tuesday, Oct. 17**

## ***DIY TIPS***

From patching a hole and painting to some basic carpentry tricks, this workshop provides hands-on instruction on how to fix what needs fixing while keeping your fingers attached and your dollars in your wallet.

**Tuesday, Oct. 31**

## ***HOME MAINTENANCE 101***

Your first step in home repairs. Plan your short- and long-term repair, maintenance, and home improvement strategies. This workshop is suitable for homeowners and homeowners-to-be.
